*The Scooter Race Monday--  
Perhaps.*

The committee in charge of the scooter race announces that if the weather and ice conditions warrant the scooter race, postponed from February 7th, will be held off Patchogue, according to previous arrangement, at 11 o'clock next Monday morning. The cold weather of the past few days has frozen the bay solid, but the ice is hardly strong enough to bear a crowd of people which the event will ring out, and the committee does not want to take any risk. The prize pennants, offered by the Brooklyn Eagle, are on exhibition at Ginocchio's store.
