
Skate Sailing Contest.

NEW YORK, Feb. 2, 1905.

Editor *Advance*, Dear Sir:

There is enclosed a check for \$1.50. covering my subscription to the "Advance" from November 1904 to November 1905.

In connection with the proposed scooter race, cannot some interest be aroused in a skate sailing contest to be held at the same time and over the same course?

Skate sailing is a rare sport, and with a proper rig a speed can be attained that is only a little less than the fast, and a little more than the slow scooters. I believe you have stated that "Country Life in America," has suggested such a race, and would be willing to offer a suitable prize.

There do not seem to be any official records of skate sailing contests over measured courses - why should not Patchogue establish some?

Yours truly,

"One of them."
